-GENERAL-

THURSDAY MORNING, DEC. 10, 1872. A GOOD EXAMPLE. The recent municipal election in Bor- have been 'worked out' of the school, or ton, Massachusetts, resulted in the taken out and put where they could be choice of Samuel O. Cobb, a Democrat, made to mind." This is not a very for mayor of that city, who beat his or- creditable showing for the new system, ponent by a majority of eighteen thor- we must confess. The subject was dissand six hundred and twenty-three cussed at length by the board, pro and Therit Wash-J. L. Sharpe, comer Seventh votes. Mr. Gaston, the immediate predevotes. Mr. Gaston, the immediate predccessor of Mr. Cobb, was also a Demo- been lost, the report was ordered to lie orat, and his re-election to the position on the table. How much of the evils papers. If you do not you cannot vote, two years ago, showed beyond doubt the confidence that the people of Boston bency of the ability to command in the citi reposed in his abilities as an able and efteachers, we are not prepared to say, and ficient public servant. It is the posses- while we favor the rule of kindness as sion of similar qualities in his suc- more in harmony with the genius of our cessor, which actuated the peo-ple of the capital city of the there is much food for grave consideraold Bay State to select Mr. Cobb tion in this New York exhibit, which as their chief magistrate, very properly we greatly fear applies to more cities concluding that politics had nothing to than Gotham. We have many brave, do with the rightful administration of the affairs of a great city. It is a well-the affair of a great city. It is a well-the affair of a great city. It is a well-the affair of a great city of a great city of a great city of a great city. It is a well-the affair of a great city of a grea known fact that Boston is essentially a way to fill us with very sanguine hopes Republican, or that the Republicans are of the glorious manhood awaiting largely in the majority among the vot- them; who, on the contrary, arouse our ing elements of that city, but a decent apprehension, lest their future should be respect for the opinions of mankind, a burden instead of an honor to the coupled with a proper regard for the State. Do these boys exemplify the welfare of Boston, induced the Repub- wisdom of the Jewish sage? Have they licans to support and elect an avowed not been spoiled by the new system Democrat because he was an able, which spared the rod? The subject is honest and respectable man, who worth considering. If our seed-corn is had the welfare of the city at diseased what sort of a crop may we exheart. And herein the people of "the pect? Athens of America" have set ourselves an example most worthy of imitation. If the men of that city could lay aside their intense party prejudices—no where stronger than at the "Hub"-and unite ENGLAND AND AMERICA CONTRASTin the support of a political opponent, because they knew him to be competent, The comparative cost of our own an honest and respectable, one who would that of the English government is not administer the affairs of the city in a without interest to the general reader. spirit of unquestioned integrity, and The following is a recapitulation of the without dictation of party cliques and estimates for 1875 and 1874 of our govrings, surely we of Memphis, similarly ernment: situated, should do the same. As Mr. Cobb was to the citizens of Boston when

on Tuesday last they elected him mayor by more than eighteen the and -majority, so is Major J. J. Busby to the citizens of Memphis with this difference, that while Mr. Cobb was an avowed Democrat, Major Busby simply espouses conservative views that recognize the progressive political ideas of our times. Now, who are the men put forward by government for 1873-4, which were the other side? Avowedly the nominees of corrupt political rings; avowedly expenditures of Great Britain for a simthe leaders of an irresponsible mob; linr period. These latter we find to be men who make no secret that £69,000,000, or \$345,000,000, which brings MENKEN BROTHERS, their object is the attainment of us close up in the matter of expense to office in order that they may the most powerful nation of the globe. divide the spoils. Each leader of this mob had the price of his newly-assumed on that question which says that a pubwhite, green spirits and gray, assembled \$104,000,000 on theirs. This leaves the at the Greenlaw Operahouse, to conspire comparative expenditure of both counagainst the best interests of the city of tries as follows; -for surely the city can have England

municipal affairs the instruments of de- be only \$8,000,000 in government exstruction to herself, and of wealth to penditures behind the great monarchy themselves and their friends. Let the of England, with its costly royal fami- Bar Iron, Light Rails, Etc. people of Memphis remember the ly, its magnificent army and navy, its late election in Boston, and let elaborate system of fortification, and its them emulate the wisdom and grand array of superb public buildings, patriotism of the people of that should make our plain tax-paying workcity. Let them look to the man and ingmen of all classes stop and ponder to his fitness for the office. Let them whither we are drifting under the new remember that Major J. J. Busby is not order of things introduced by Radical bought or sold, and that if elected he Rapublicanism. When the Spanish-Railroad Supplies, Heavy Hardware, will be free from the corrupt influences Cuban war-cloud lowered upon us a few of party rings, and will go into the days ago, the country was startled by office of mayor as the representative of the expose made by Admiral Porter that the whole people of Memphis, and not our navy was next-door to a mis- No. 37 Union St., Memphis, Tenn. of this or that nationality. That he erable sham, and that even will conserve the material interests of effete Spain, had a more effithe city without the color of dictation cient naval department, a stronger

and better navy, in regard to tonnage, number of ships and weight of metal, CORPORAL PUNISHMENT IN than our own. And yet it costs us nearly The pithy and philosophic expressions

us much to "run" our government The pithy and philosophic expressions which come down to us from time whereof the memory of man runneth not to the contrary, though sometimes jarring with our modern ideas of the soldest whereof they treat, are, neversubject whereof they treat, are, never-States combined, but on account of sutheless, found by experience to be, on the whole, sound and truthful. The wise Israelitish monarch gets the credit for having originated the aphorism, that the comparison, if extended to theless, found by experience to be, on the whole, sound and truthful. The wise Israelitish monarch gets the credit for having originated the aphorism. "Spare the rod and spoil the child;" though, for aught we know, it may have been crystalized in the language of the people before that language was confounded at the base of the unfinished tower of Babel. But as a gem of the first water is none the less valuable because we are unacquainted with the particular mind where it originated, so this wise saying of the son of David recommends itself to our approbation, whether we question its Solomonic paternity or not. Of late years, and particularly in these United States, it has been shorn of much of its antique force and authority, if not totally disit has been shorn of much of its antique of 200,000 men; a yeomany force of 40,000 men, and an indefinite number of privities. Then to our handful of maregarded in its ancient domain of su-

preme power, namely, the nursery and the school-room. The effect of kindness, combined with the influence of mental force and moral sussion, have substituted the birch and kickory in our domestic and scholastic disciplinary splendid universities. We have said nothing about her national school-system; her systems; and there are fathers and mothers, too, who would resent as a personal assault any attempt to inflict corporal punishment on their sons at pary institutions; her highways, bridges, the hands of young hopeful's usher, etc., all sustained and supported by the school-teacher or professor. The ques-

school-teacher or professor. The question arises, how has the new system worked? Has it produced as studious and robustious pupils, as honest and manly a race of scholars as those who feared the ferule of the ancient dominie? And are boys as courteous and respectful to their parents, as and duiful to their parents, as free from those "bad habits" at Tezcodtilan, in Mexico, a religious for contents and duiful to their parents, as free from those "bad habits" at Tezcodtilan, in Mexico, a religious made.
